

**AMENDMENTS TO THE SPECIFICATION**

Please substitute the enclosed specification and new sheet of claims for the pending specification. The substitute specification and claims are submitted pursuant to the Examiner's request in the November 20, 2006 Office Action. The substitute specification and claims do not include the amendments made to the specification in Applicants' September 25, 2006 Amendment. Applicants respectfully ask the Examiner to enter the amendments from the September 25, 2006 Amendment into the substitute specification and claims.
